13:12:52   From Heather Schmidt to Michelle Pacansky-Brock (Privately) : :) Thanks
13:13:44   From Michelle Pacansky-Brock : To get the information to install the 3C Media Solutions LTI, your Canvas administrator will need to send an email to: support@3cmediasolutions.org
13:14:22   From Michelle Pacansky-Brock : 3C Media will provide the information to your Canvas administrator to assist with installing the LTI, which allows faculty to use 3C Media inside of Canvas.
13:14:56   From Michelle Pacansky-Brock : **But each faculty member must create a 3C Media Account here: https://www.3cmediasolutions.org/user/register**
13:17:51   From Michelle Pacansky-Brock : If the LTI is installed in your instance of Canvas as a "global" installation, you will see 3C Media in your course navigation.
13:18:40   From Michelle Pacansky-Brock : If the LTI is not installed globally, go into your course, click on Settings and you will see 3C Media in the lower group of "inactive" course navigation menu items. Drag/drop it up into the Active area and Save to enable it in your course.
13:21:09   From Michelle Pacansky-Brock : If you teach at multiple colleges, you will need a unique 3C Media account for each college email address. They will assist you with transferring your own videos to multiple accounts.
13:21:33   From Mindy Carr : yes
13:24:21   From David Bastedoi to All panelists : It sounds like I have to organize my 3CMedia on the web in the 3CMedia account not in Canvas. Correct? I will see the organization that I have created online in Canvas, but I can't organize in canvas. Yes?
13:24:51   From Michelle Pacansky-Brock : Hi David. Could you please place that great question in the Q&A area for our panelists to answer? Thanks.
13:28:38   From Michelle Pacansky-Brock : Hi folks, please type your questions for Mirla and Heather in the Q&A area (at the bottom of your Zoom window). Thanks.
13:28:57   From Heather Schmidt : Hi David, Yes, this would take place by logging in to your 3C Media Account through the website
13:29:08   From Michelle Pacansky-Brock : Hooray, Greg Beyrer!
13:30:28   From Audrey Blumeneau : Great video!

13:31:02   From Donna Gustafson : Greg is also a very active ConferZoom user to create videos in his course!
13:33:00   From Tiffiny Hickey : We are not out of funds
13:33:41   From Tiffiny Hickey : Instructional media can be submitted via the regular 3C Media Solutions route.
13:35:08   From Michelle Pacansky-Brock : @Tiffiny, thank you. So, faculty may request captioning from the 3C Media website *or* the LTI, right?
13:35:46   From Monica Landeros : Thank you.
13:36:13   From Tiffiny Hickey : YouTube videos are not eligible - media must be instructor owned and uploaded to 3C Media Solutions services. If anyone would like more information on captions, please contact support@ccctechconnect.org - thanks!
13:37:08   From Tiffiny Hickey : @Michelle - yes, that is correct.
13:37:25   From Michelle Pacansky-Brock : To get the information to install the 3C Media Solutions LTI, your Canvas administrator will need to send an email to: support@3cmediasolutions.org
3C Media will provide the information to your Canvas administrator to assist with installing the LTI, which allows faculty to use 3C Media inside of Canvas.
13:38:20   From Michelle Pacansky-Brock : @Tiffiny, thanks.
13:39:31   From Audrey Blumeneau : I love that 3C Media Solutions has the LTI within Canvas! Very cool and excited to start using it!
13:40:10   From Linda Beal : What are the advantages of hiding the 3Cmedia from the Navigation window
13:40:34   From Michelle Pacansky-Brock : Here is the link for 3C Media Support. https://www.3cmediasolutions.org/support
13:45:01   From Michelle Pacansky-Brock : HandBrake.fr - free tool to compress videos
